

Bio

Molly Erin McCabe, AKBD, CGP, an award-winning designer, is the founder and owner of *A Kitchen That Works*[™] (AKTW). AKTW is a full service design and project management firm specializing in sustainably designed and built residential spaces including kitchens, baths, laundry rooms, closets, home offices custom entertainment centers and more.

Ms. McCabe has published numerous articles and has lectured locally and nationally on design with an emphasis on sustainable design and construction. She is a founding Board member of the Olympic West Sound Chapter of the National Kitchen & Bath Association and the founder of the Kitsap Chapter of the Northwest EcoBuilding Guild. Ms. McCabe is an active member of her community volunteering with youth and teens, environmental groups as well as other not-for-profit community groups through projects and Board participation.

She is a member of the Home Builders Association of Kitsap County Built Green® program, the Northwest EcoBuilding Guild, Greens America and the Bainbridge Island Chamber of Commerce. Her professional certifications include Associate Kitchen & Bath Designer (AKBD) from the National Kitchen and Bath Association, Certified Green Professional (CGP) from the National Association of Home Builders and a Certified Lead-Free Renovator from the Environmental Protection Agency.

Ms. McCabe lives and works in a Built Green® home that she designed and built with her husband and their two children. She can be reached at 206.780.1906 or www.aKitchenThatWorks.com.
